

# TEEN MONEY SMART PROGRAMS

As part of the Teen Volume project, Teen Money Smart Programs are a series of interactive and informative programs offered in partnership between the Chicago Public Library and members of the Federal Reserve Bank of Chicago Money Smart Week Planning Committee.

These dynamic and engaging financial literacy workshops are designed to offer Chicago area teens an understanding of the importance of:

- good credit
- setting financial goals
- budgeting
- saving

*"I better understand saving and investing and how easy it is to begin."*
